I am directed by the British Representative to refer to your letter dated 12th January, 1967, concerning the above named.

A search in our criminal documentation in the identity given reveals that the subject has not been convicted in this country.

HUBBARD appears to be a co-director of Hubbard Communications Office Limited, Scientology Publications Limited, The Dianetic Association Limited and Hubbard Association of Scientologists International Limited, whose registered offices are at 37, Fitzroy Street, London, W.1, and enclosed are copies of the company search forms setting out the names of the directors, principal share holders and the principal objects of the companies.

Also enclosed is a copy of the 1965 balance sheet submitted by Hubbard Communications Office Limited to the Registrar of Companies, which shows an adverse balance of £5,102 lls. 2d. for the year. Accounts for the other companies mentioned are not available.

Enquiries have also been made to verify your information respecting the deportation orders made against HUBBARD in Rhodesia and Australia. It is known that he landed in this country on 16th July, 1966, after being told to leave Rhodesia by the 13th July, 1966. Australia House were not able to confirm any deportation order from that country.
